Hart's Vegetable Extract,

Is the only remedy that can be relied on for the per-manent cure of Spinal Complaints, Spasmodic Contractions, Irritation of the Nerves, Nervous or Sick Headache, Nervous Tremors, Neuralgic Affec-tions, Apoplexy, Paralysis, General Debility, Defi-ciency of Nervous and Physical Energy, and all Nervous Disorders, including the most dreadful of all diseases that ever affect the human race-

Epilepsy, or Falling Sickness, Hysterical Fits, Convulsions, Spasms, &c. This disease consists in a sudden deprivation of the senses, accompanied with a violent convulsive mo-tion of the whole body. It attacks by fits, and after a certain duration goes off, generally leaving the suf-ferer in a stupor, attended with great weakness and exhaustion of the body.

Doctor Hart would impress it upon the minds of the afflicted, that the Vegetable Extract is the only remedy ever discovered that can be relied on for the permanent cure of this most dreadful of all diseases. As its tendency is to insanity, madness and death, the most Skillful Physicians of Europe, as well as those of our own country, have pronounced Epilepsy incurable. And it has been so considered by many, until this most important of all discoveries was made by Doctor S. Hart, nearly sixteen years since, during which time it has been performing some of the most REMARKABLE CURES upon record, and has acquired a reputation which time alone can efface. Physicians of undoubted skill and experience, Ministers of va-rious denominations, as well as hundreds of our eminent citizens, all unite in recommending the use of this truly valuable medicine to their patients, charge, and friends, who are thus afflicted, as the only rem

WE QUOTE THE LANGUAGE used by those who have been cured by this valuable medicine. One says, "I have suffered beyond my power of description, but now I rejoice in being fully restored to health and happiness." Another says, "I thank God I feel that I am a well man. I also feel it my duty to proclaim to the ends of the earth, that those similarly afflicted may find relief. Another, (who is an EMINENT LAWYER, and well known in this city.) says, "My son has been afflicted for years with Epilepsy, but is now enjoying good health from the Vegetable Extract. Its fame," says he, "should and ought to be sounded to the ends of the earth." Another says, Language is entirely inadequate to express my gratitude to Dr. Hart, for having been the means, under

EPILECTIC FITS-Of twenty seven years and six months, cured by the use of this Truly Wonderful

Medicine. Read the following remarkable case of the son of Wm. Secore, Esq., of Philadelphia, afflicted with Epileptic Fits twenty seven years and six months. After traveling through England, Scotland, Germany, and France, consulting the most eminent physicians, and expending for medicine, medical treatment and advice three thousand dollars, re turned with his son to this country, in November last, without receiving any benefit whatever, and

last, without receiving any benefit whatever, and was cured by using HART'S VEGETABLE EXTRACT.

Mr. Wm. Secore's Letter to Dr. Hart:—
I have spent over three thousand dollars for medicine and medical attendance. I was advised to take a tour to Europe with him, which I did. I first visited England. I consulted the most eminent physicians there in respect to his case; they examined him and prescribed accordingly. I remained there three months without perceiving any change for the better, which cost me about two hundred and fifty dollars, packeted by the physician and the most that I received. Another remarkable Cure performed by the use of Hart's Vegetable Extract. Doctor Hart:—It is with no small degree of gratifi-cation that I am enabled to announce to you the com-plete restoration to health of my daughter, by the use of your Vegetable Extract. At the age of six years, (her age at present is sixteen) she was first attacked with this dreadful malady called Epileptic Fits, and until she commenced taking the Extract, she suffered with attacks of fits, almost incessantly, and so severely as to threaten to drive reason from its throne, and render her insane—Inoruc. Physicians pronounced her incurable, and cauld do

nothing more for her. We had almost despaired of a cure, when hearing of the remarkable cures performed by the Vegetable Extract, we determined to give it a trial. The result has exceeded our most sanguine expectation, as by its use she is free from a most dread-tul malady, and restored to PERFECT HEALTH. Should any one feel desirous of seeing her, and of ascertaining the particulars of the case, such wish may be gratified by calling on or addressing a letter to me, past-paid, at my residence, two miles from the village of Yonkers, Westchester, New York.

Teething. Worm, Costiveness, &c., will produce this disorder. In all such cases the Vegetable Extract is the only medicine which can be relied on with any degree of safety. Mothers who have small children should remember this. Many a Child, the past year, who has suffered with this complaint, and has been given over by physicians to die, has been restored by the use of but one bottle of Hart's Vegetable Extract.

The child of William Anderson, North Fourth street Williams hard 20 months had fourth street, Williamsburgh, aged 20 months, had fits constantly for eight weeks. A consultation of physicians was called, who decided that the case was a hopeless one, and the child must die. Whilst the child was in this dangerous state Mr. Anderson called at my office and obtained a bottle of the Extract, administered it to the child, and the result was a perfect restoration of health.

The son of Mr. Robert McGee, corner of Sullivan

and Prince streets, New York, was severely afflicted with fits. In this case also the physicians held a con-sultation and decided that they could do no more, and that nature must effect its own cure, or the boy must die. The Vegetable Extract was administered to him whilst in a fit, by one of the attending physicians. Its effects were almost instantaneous, fits was broken, and the boy restored to health. Mr. McGee says, "I shall never again be without the medicine in my house, if I can avoid it, for fear that some of the rest of my children may be attacked in the same way. I consider the medicine invaluable.
